## **ABOUT LIVING BENEFITS (ACCELERATED BENEFIT)**

### **LIFE INSURANCE BENEFITS (BENEFITS PAYABLE BY REASON OF THE DEATH OF YOU) WILL BE REDUCED IF BENEFITS ARE PAID UNDER THE LIVING BENEFITS (ACCELERATED BENEFIT) PROVISION.**

This disclosure is a brief summary of the Living Benefits (Accelerated Benefit) provision and its effect on life insurance benefits.

An eligible Insured Person may receive payment of part of the amount of life insurance in effect for the Insured Person while living if the Insured Person has been diagnosed with a terminal condition. A terminal condition means an injury or sickness that is expected to result in death within the number of months stated in the Certificate, as certified by a Physician. Please refer to the Living Benefits (Accelerated Benefit) provision of this Certificate for information regarding who is eligible for this benefit and the complete definition of Terminal Condition in the Definitions section.

This benefit is included in the premium paid for life insurance. There is no separate premium charge for this benefit. The premium for life insurance does not change if benefits are paid under the Living Benefits (Accelerated Benefit) provision.

The Living Benefits offered under this contract **may or may not** qualify for favorable tax treatment under the Internal Revenue Code of 1986 (as amended). Whether such benefits qualify depends on factors such as the life expectancy of you at the time benefits are accelerated or whether you use the benefits to pay for necessary long-term care expenses, such as nursing home care. If the Living Benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. Tax laws relating to Living Benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive Living Benefits excludable from income under federal law.

Receipt of Living Benefits may affect your, your Spouse's or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect your, your Spouse's or your family's eligibility for public assistance.

**The Living Benefits (Accelerated Benefit) provision will end with the termination of this Policy.**

## ELIGIBILITY

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

### WHEN YOU BECOME ELIGIBLE FOR INSURANCE (ELIGIBILITY WAITING PERIOD)

If you are Actively Working on the Policy Effective Date, you become eligible for insurance on the Policy Effective Date.

If you are not Actively Working on the Policy Effective Date, or if you are hired after the Policy Effective Date, you become eligible for insurance on the day you begin Active Work.

The day you become eligible for insurance may not be the same as the day your insurance begins. The WHEN YOUR INSURANCE BEGINS provision describes the day your insurance begins.

### WHEN YOUR INSURANCE BEGINS

You become insured on the first day of the month that coincides with or follows the latest of the day:

- a) you become eligible and are Actively Working; or
- b) your Written Request is properly completed and signed, if required.

You must provide Evidence of Insurability if it is required. You become insured for any amount of insurance that requires Evidence of Insurability on the first day of the month that coincides with or follows the day we approve Evidence of Insurability.

### EXCEPTIONS TO WHEN YOUR INSURANCE BEGINS

This provision does not apply if you are eligible for insurance under the CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER provision.

If you are:

- a) not Actively Working due to Injury or Sickness;
- b) Totally Disabled;
- c) confined in a Hospital as an inpatient;
- d) confined or assigned to a bed as a resident inpatient in any institution or facility other than a Hospital; or
- e) confined at home and under the care or supervision of a Physician;

on the day insurance would otherwise begin, insurance will not take effect until the day after you are released by your Physician and you return to Active Work.

If you are not Actively Working when insurance would otherwise begin for reasons other than those listed above, insurance will not take effect until the day you return to Active Work.

### WAIVER OF COVERAGE

You may waive coverage:

- a) for religious or faith-based reasons;
- b) to avoid possible federal and/or state income tax liability; or
- c) for any other reason approved by us.

You must submit a Written Request to waive coverage. The request must be signed by you, and in community property states, your Spouse, if applicable. The waiver is effective on the date we receive and record the Written Request.

The waiver is irrevocable for one year from the date we record it. After one year, you may elect coverage by providing Evidence of Insurability at your own expense. You are eligible for insurance if we approve Evidence of Insurability.

## **CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER**

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

If the Policy replaces a Prior Plan, the Policy will provide insurance for you if you:

- a) were insured under the Prior Plan on the day before the Policy Effective Date;
- b) are otherwise eligible, but not Actively Working on the Policy Effective Date due to:
  1. Injury or Sickness; or
  2. a leave of absence protected under:
    - a. the federal Family and Medical Leave Act (FMLA) or Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto; or
    - b. any other applicable federal or state law that allows for continuation of insurance in certain instances;
- c) are not insured under any provision of the Prior Plan;
- d) are not a retired Employee;
- e) are not Totally Disabled on the Policy Effective Date; and
- f) are approved by our authorized representative in our home office for insurance under this provision.

Insurance under this provision is subject to the following conditions:

- a) insurance may not exceed your amount of insurance under the Prior Plan on the day before the Policy Effective Date;
- b) the benefit payable will be the amount which would have been paid by the Prior Plan had insurance remained in-force under the Prior Plan, less the amount of any benefit payable under the Prior Plan;
- c) the Policyholder must notify us in writing prior to the Policy Effective Date of the amount of your insurance under the Prior Plan on the day before the Policy Effective Date;
- d) insurance is subject to uninterrupted payment of premium to us when due; and
- e) insurance is subject to any reductions shown in the Schedule section of this Certificate and all other terms and conditions of the Policy.

We reserve the right to request any information we need from the Policyholder to determine whether the conditions necessary to be eligible for insurance under this provision have been satisfied.

Insurance under this provision will end on the earliest of:

- a) the day you return to Active Work for the Policyholder or begin employment with any other employer;
- b) the last day you would have been insured under the prior Plan, if the Prior Plan had not ended or terminated;
- c) the day your insurance ends for any reason shown in the WHEN INSURANCE ENDS provision;
- d) the last day of the twelfth month following the Policy Effective Date; or
- e) the last day of the time period allowed by FMLA, USERRA or applicable federal or state law that allows for continuation.

If you are eligible for insurance under this provision, you will not be eligible for insurance under any continuation provision in this Certificate.

If your insurance under this provision ends and you have not returned to Active Work, you may be able to obtain insurance under the CONVERSION provision.

Persons who are not eligible for insurance under this provision may be eligible to apply for conversion of insurance under the Prior Plan and should contact the Policyholder for additional information.

## **CHANGES TO INSURANCE BENEFITS**

Any allowable change in the benefits, class or amount of insurance, whether requested by you or the Policyholder, or as a result of the terms of the Policy, will take effect on the first day of the month that follows the date of the request or the change, unless otherwise stated or allowed in the Policy.

For any increase in insurance, we will use the Policyholder's records and/or the premium we receive to verify that the amount of insurance requested is the appropriate insurance amount the Insured Person is eligible for under the terms of the Policy.

If you are not Actively Working on the day any increase in insurance would otherwise take effect, the increase becomes effective the first day of the month that follows the day you return to Active Work.

## **REINSTATEMENT OF INSURANCE**

You may be eligible to reinstate insurance that has ended in accordance with this provision.

Reinstated insurance will take effect on the first day of the month that coincides with or follows the date you become eligible for insurance. If you are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance becomes effective on the day you return to Active Work.

### **Involuntary Reduction in Hours**

If insurance ends because you are no longer Actively Working due to an involuntary reduction of hours worked, insurance may be reinstated if you return to Active Work within 90 days from the date insurance ended.

### **Rehired Employee Due to Layoff or Termination**

If insurance ends because you are no longer Actively Working due to layoff or termination of employment with the Policyholder, insurance may be reinstated if you are rehired and return to Active Work within 90 days from the date insurance ended.

### **Rehired Employee Due to Leave of Absence**

If insurance ends because you are no longer Actively Working due to an approved leave of absence, insurance may be reinstated within 90 days from the date insurance ended upon return to Active Work. If insurance ends because you are no longer Actively Working due to military leave, insurance may be reinstated upon return to Active Work within 31 days of your discharge from active duty without satisfying another Eligibility Waiting Period.

### **Transfer From Conversion**

If insurance is obtained under the CONVERSION provision while you are not Actively Working, insurance may be reinstated up to the amount of insurance that was in effect on the last day of Active Work. Any Conversion policies issued to you must be surrendered to us. If Conversion policies are not surrendered, Evidence of Insurability will be required to reinstate insurance.

## **WHEN INSURANCE ENDS**

Insurance ends:

- a) for all Insured Persons on the last day of the month in which you are no longer Actively Working;
- b) the last day of the month in which an Insured Person begins active duty in the Armed Forces, National Guard or Reserves of any state or country (except for temporary active duty of 31 days or less), unless otherwise allowed in the Policy;
- c) the last day of the month in which you return to employment with the Policyholder;
- d) the day the Policy terminates; or

When your insurance would otherwise end because you are no longer Actively Working due to your Injury or Sickness, you may be able to continue insurance under this provision. The total continuation period under this provision and the CONTINUATION OF INSURANCE FOR LAYOFF OR LEAVE provision will not exceed 12 months.

Insurance may be continued under this provision if the following conditions are satisfied:

CONTINUATION OF INSURANCE FOR TOTAL DISABILITY WITH WAIVER OF PREMIUM provision or CONVERSION provision.

If your leave is due to an Injury or Sickness which may result in your Total Disability, we must receive notification of your potential Total Disability on our total disability claim form within 9 months of the date your Injury or Sickness occurred, or as soon as reasonably possible.

See the OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE provision in the Premium Payment section of this Certificate for premium payment options.

### **CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY**

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

When your insurance ends under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision, you may be able to continue insurance under this provision due to your Partial Disability.

Insurance may be continued under this provision if the following conditions are satisfied:

- a) you are Partially Disabled, but not Totally Disabled;

- c) we continue to receive premium payment when due (premiums must be paid by you or on your behalf).

See the OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE provision in the Premium Payments section of this Certificate for premium payment options.

### **CONTINUATION OF INSURANCE FOR TOTAL DISABILITY WITH WAIVER OF PREMIUM**

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

This provision only allows for continuation of life insurance. Accidental death and dismemberment insurance may not be continued under this provision.

When your insurance ends under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision or CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision, you may be able to continue insurance under this provision due to your Total Disability. After satisfaction of the Disability Elimination Period, and upon submission of proof of Total Disability, your insurance may be continued without payment of premium until insurance ends in accordance with this provision.

We must receive notification of your potential Total Disability on our total disability claim form within 9 months of the date your Injury or Sickness occurred, or as soon as reasonably possible.

Insurance may be continued under this provision if the following conditions are satisfied:

- a) you are Totally Disabled;
- b) you were under age 60 at the time you became Totally Disabled;
- c) the Disability Elimination Period is satisfied; and
- d) proof of Total Disability is provided to us (as described below in this provision).

The amount of insurance may not be increased while insured under this provision.

If you are age 60 or older and become Totally Disabled, you may be able to obtain insurance under the CONVERSION provision.

### **About the Disability Elimination Period**

The Disability Elimination Period is a period of 9 consecutive months. You do not have to be Totally Disabled while satisfying the Disability Elimination Period. Any period of time in which you are insured under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision will apply toward satisfaction of the Disability Elimination Period provided premiums are paid by you or on your behalf. Your insurance will continue during the Disability Elimination Period.

If your group life insurance ends before you are able to satisfy the Disability Elimination Period, you may be able to obtain insurance under the CONVERSION provision until the Disability Elimination Period is satisfied. If your continuation of insurance for Total Disability is approved, your insurance will be continued for the amount of life insurance in effect for you under the Policy on the last day of Active Work, subject to any reductions shown in the Schedule, you must surrender your Conversion policy and any premiums paid for such policy will be refunded.

### **Proof of Total Disability**

You must submit to us acceptable proof of Total Disability approved by our authorized representative in our home office before the end of the Disability Elimination Period or as soon as reasonably possible thereafter.

In order to confirm that you are Totally Disabled, we have the right to have you examined by a Physician of our choice at our expense.

If you are approved for continuation of insurance under this provision, we will periodically require proof of continuing Total Disability. We may have you examined by a Physician of our choice at any time during the first two years of Total Disability and once a year thereafter at our expense. If an additional examination is required due to questionable or disputed results of an examination, any additional examination may be at your expense.

### **When Continuation of Insurance for Total Disability is Approved**

We will notify you in writing if your proof of Total Disability is approved by us.

Once you are approved for insurance under this provision, a recurrent disability caused by, resulting from or contributed to by the prior Total Disability will be treated as part of your prior claim and you will not be required to satisfy another Disability Elimination Period if:

- a) you were continuously insured for the period between your prior claim and your recurrent disability; and
- b) your recurrent disability occurs within 6 months of the end of your prior claim.

### **When Continuation of Insurance for Total Disability is Not Approved**

We will notify you in writing if your proof of Total Disability is not approved by us. If at any time while you are insured under this provision we determine that you are no longer Totally Disabled, we will notify you in writing that you are no longer eligible to continue insurance under this provision.

If you are ineligible for insurance under this provision or your insurance under this provision ends, you will have 31 days from the date of our notice to submit a Written Request for insurance under the CONVERSION provision, if you have not returned to Active Work or you are not eligible for insurance under the CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision.

### **When Insurance Under this Provision Ends**

Insurance under this provision will end on the last day of the month which coincides with or follows the day:

- a) you are eligible to continue insurance under the CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision; or
- b) you return to Active Work.

Insurance under this provision will also end on the earliest of the day:

- a) you are no longer Totally Disabled;
- b) that is 90 days after the date of our request to you for proof of Total Disability if such proof has not been received by us;
- c) you fail to obtain an examination from a Physician of our choice as described in the PROOF OF TOTAL DISABILITY provision by a date established by us;
- d) you reach age 65; or
- e) you begin full-time employment with an employer other than the Policyholder.

In no event will insurance under this provision end less than one year from the day your Total Disability is approved by us.

Insurance under this provision also ends in accordance with the GRACE PERIOD provision.

## **CONVERSION**

This provision allows for conversion of life insurance. Conversion insurance is not available for accidental death and dismemberment insurance.

If group life insurance ends because your employment or membership in a class (as shown under Class(es) on the Schedule section of this Certificate) ends or your benefit amount reduces you may apply for an individual policy of life insurance other than term insurance ("Conversion Policy").

The Conversion Policy issued under this provision will be:

- a) any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance;
- b) issued without any supplemental benefits; and
- c) for an amount of life insurance that is up to the amount of life insurance that ended or was reduced, less the amount of any other group life insurance the applicant becomes eligible for within 60 days after insurance ended or was reduced.

Premium is based on the standard premium rate for the Conversion Policy according to the amount of insurance, class of risk, gender and age of the applicant on the date the Conversion Policy takes effect.

The Conversion Policy will become effective on the later of the date of issue or 60 days after the date insurance ended or was reduced.

### **Notice of the Right to Obtain Insurance Under this Provision**

The conversion period is the period of time that is 60 days from the date insurance would otherwise end or reduce (Conversion Period). When insurance would otherwise end, notice of the right to convert may be given. If notice is not given at least 15 days after the start of the Conversion Period, an extension of the period of time to apply for continued insurance under this provision will be allowed. Any extension will expire on the earlier of:

- a) 15 days after notice has been received; or
- b) 60 days after the end of the Conversion Period, even if notice is not received.

If you are entitled to obtain a Conversion Policy and die within 60 days after insurance ends or reduces, we pay the amount of life insurance which could have been converted, even if you did not apply for a Conversion Policy.

### **How to Request Insurance Under this Provision**

Insurance is available without providing Evidence of Insurability. You must submit a Written Request for insurance under this provision. The Written Request and the initial premium due must be submitted to us within the Conversion Period.

### **Conversion Insurance and Your Return to Active Work**

If you are issued a Conversion Policy and again become eligible for insurance, insurance will become effective (subject to all eligibility requirements) only if any Conversion Policy(ies) is/are surrendered to us. If Conversion Policy(ies) are not surrendered, Evidence of Insurability will be required.

## **LIVING BENEFITS (ACCELERATED BENEFIT)**

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

This section only applies to the life insurance offered by the Policy. Accidental death and dismemberment (AD&D) insurance is not included under this section.

**The benefits received under this section may be taxable. Receipt of Living Benefits may adversely affect eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting Living Benefits.**

### **ABOUT LIVING BENEFITS**

If you incur a Terminal Condition while insured, you, your Spouse or your legal representative may submit a Written Request for Living Benefits.

The maximum amount of Living Benefits available is 75% of the amount of life insurance for you in effect at the time of the request or \$37,500, whichever is less. The minimum amount is 10% of the amount of life insurance in effect for you at the time of the request or \$1,000, whichever is greater.

We will pay Living Benefits to you in a lump sum, provided you are living at the time payment is made.

The amount of life insurance benefits payable for you in the event of death will be reduced by the amount of Living Benefits paid for you. Payment of Living Benefits has no effect on accidental death and dismemberment (AD&D) insurance benefits.

### **APPLYING FOR LIVING BENEFITS**

To apply for Living Benefits, you, your Spouse or your legal representative must provide us:

- a) a Written Request for Living Benefits; and
- b) proof of your Terminal Condition, including an attending Physician's written statement.

You, your Spouse or your legal representative will receive information at the time of benefit payment about the amount of life insurance remaining in force after payment of Living Benefits.

### **CONDITIONS OF LIVING BENEFITS**

Living Benefits are subject to the following conditions:

- a) Living Benefits are payable for you only once;
- b) you can request Living Benefits in any \$1,000 increment, subject to the limits specified in this section;
- c) premium must continue to be paid on the full amount of life insurance, unless subject to waiver of premium under the CONTINUATION OF INSURANCE FOR TOTAL DISABILITY WITH WAIVER OF PREMIUM provision; and
- d) the amount of insurance you may obtain under the CONVERSION provision will be reduced by the amount of Living Benefits paid for you.

### **WHEN LIVING BENEFITS ARE NOT AVAILABLE**

Living Benefits are not available:

- a) when you have irrevocably assigned life insurance;
- b) if such benefits were paid under a Prior Plan;
- c) for any Terminal Condition caused by a suicide attempt or an intentionally self-inflicted Injury;
- d) during any Conversion Period;
- e) if the required premium is due and unpaid on the date the Written Request for Living Benefits is made;

- a) the Policyholder may pay the premium; or
- b) you may pay premium to the Policyholder who will then submit premium to us.

Insurance will stay in force during the grace period as long as premium is paid before the end of the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. - a) Receive Information About Your Plan and Benefits
  1. Examine, without charge, at the Plan Administrator's office and at other specified locations all documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

2. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

b) Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

c) Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

d) Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
